

## ARMENIA SCHOOL FOUNDATION

---

Dear ASF supporter,

We hope this message finds you well. Unfortunately, our homeland is currently facing challenging times, and we are writing to share the latest developments. As you can imagine, the Armenian government is grappling with unprecedented challenges in addressing the ongoing crisis.

Recently, several of our board members held meetings with regional governors and staff from Tavush, Armavir, Ararat, and Vayots Dzor provinces. These discussions centered on the displaced families from Artsakh and the pressing need for additional school furniture and equipment.

It has become evident that our schools need extra furniture to accommodate the growing number of children from Artsakh. In light of the extraordinary circumstances, we have revised our initial schedule for school deliveries. We are now focusing on revisiting schools in the Tavush, Armavir, Gegharkunik, Kotayk, Ararat and Vayots Dzor regions to better cater to the requirements of incoming students. The urgency of these needs has put a significant strain on our resources.

The Armenia School Foundation has made remarkable strides in the past, driven by the unwavering support of the community. Over the past 20 years, we have successfully provided over 37,500 students across 457 schools in Armenia with brand new, high-quality classroom furniture and equipment. This significant achievement underscores our commitment to improving educational environments and opportunities for students throughout all regions of Armenia. As a community-based organization, we take immense pride in our accomplishments but acknowledge that there is still much work to be done. We recognize that the road ahead is long, and we rely on your generous support to help us in our mission to refurnish schools in Armenia, ensuring a brighter future for even more students. We remain unwavering in our commitment to supporting those in need.

Your generous support will not only help ease our displaced children with their immediate hardships but also play a crucial part in helping them return to a sense of normalcy and well-being.

To support our mission and make a difference in the lives of our children, we invite you to consider making a tax-deductible donation online through our **website**:
