

Dear Friends and Supporters of **ASF USA**,

As we approach the New Year, **ARMENIA SCHOOL FOUNDATION, USA** will be entering its 15th year of operation. The Board of Directors, with **YOUR** help, is getting ready to celebrate this milestone in spring of 2018.

During **2017** ASF-USA completed **THIRTY** school projects in remote villages of **Armenia** and **TWO** in **Artsakh**, for a total cost of **\$121,205** and almost no overhead. During these fourteen years ASF has provided new and colorful classroom furniture, including student and teacher desk/chairs, blackboards, bookcases, computer desks, hangers and other school supplies to over **24,000** students in **260** schools.

These projects were made possible through various fundraising activities, general donations, donations “in-lieu-of-gifts/flowers” or “in-memory-of loved ones”.

The Board of Directors of **ASF USA** wishes you a
MERRY CHRISTMAS AND HAPPY NEW YEAR
and sincerely thanks **YOU** for **YOUR** continued support

Armenia School Foundation (ASF) USA is a California based 501c3 nonprofit organization, with a mission to provide new furniture and equipment to schools in remote villages of Armenia and Artsakh
